FACTS:

For Food: An estimated 783 million people suffer worldwide from chronic malnourishment and regularly go to bed hungry.

Personal Care: 2.3 billion people lack access to basic hygiene products at home, including soap and dental care products.

For Period Products: 500 million girls and women do not have access to period products in order to manage their monthly cycle in a dignified, healthy way.

For Water: Approximately 2.2 billion people live without access to safe drinking water or experience frequent water shortages.

BAG OF LOVE PROGRAM

ABOUT THE PROGRAM

Promise Hill Project's Bag of Love Program is a simple sponsorship program offering an easily accessible solution to those suffering from lack of access to basic needs of life.

REST EASY! WE DO ALL THE WORK!

Market bags containing food, personal care products, period products and much more are filled and then distributed to those in need at identified, safe drive-up and walk-up locations in struggling and impoverished communities.

**Promise Hill Project is a registered 501(c)(3) non-profit charity.*

Put community outreach at the forefront by sponsoring the Bag of Love Program.
